DOWN OLE CUEGENTILE PASS WITH COYOTE - STEVEN CERIO

A fusion of tales of the Acoma Pueblo and Skagit Indians. - "You know Coyote is in the origin and all the way through... he's the cause of the trouble, the hard times things have. he came so close to having it easy but he said "things are to easy" but he was mainly bragging, shooting his mouth.

SOMEBODY PLEASE

STOP ME!

Hi Sceners!
The time has come finally to bring you another papermag. But you'll see, it's a cut above the ordinary... because it's no bad copied bunch of papers like some other mags, it's real printed. You can find cool graphics and some hot comics, but (nearly) no text, because it's for your eyes only! Hope you all like this new mag a little bit and will support us. See you somewhere, maybe in the next issue ...

DAVE!
